

Make your own enrichment treats!

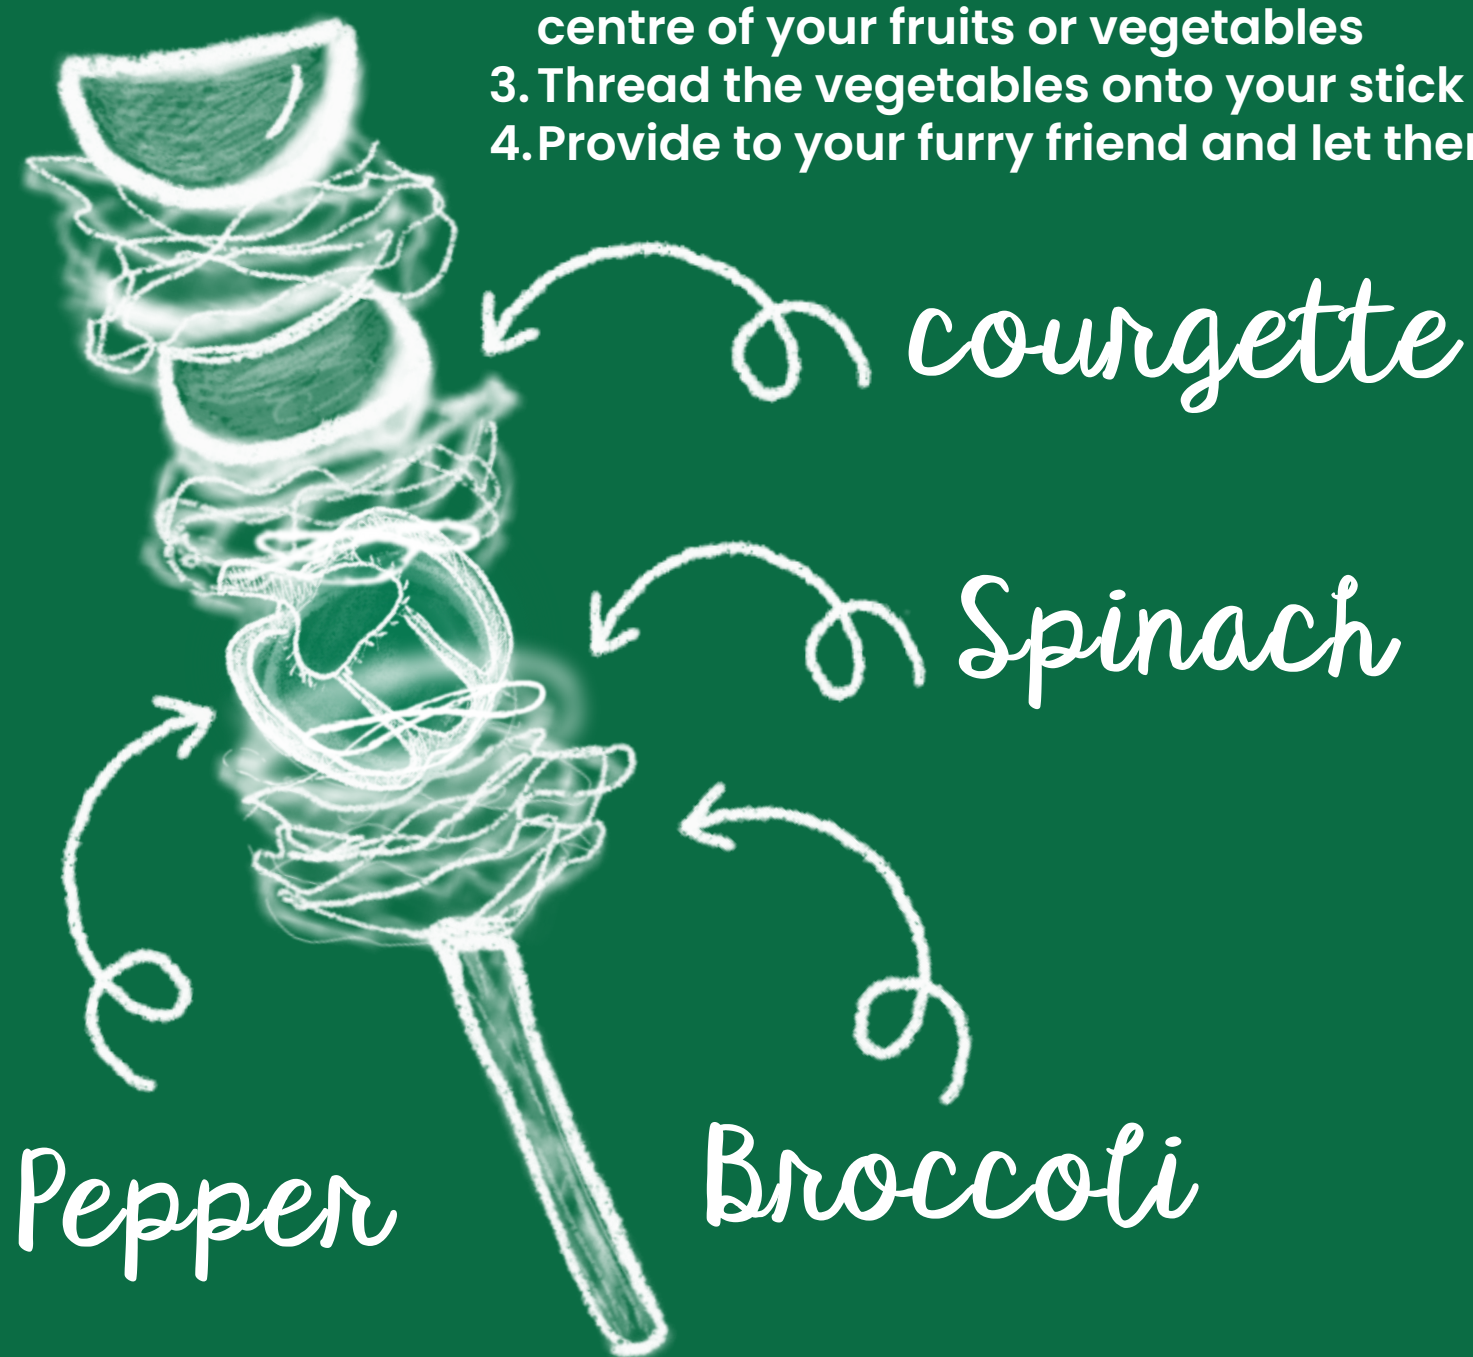

Vegetable Kebab

What you will need:

- A stick from an apple or a pear tree
- Your furry friend's favourite fruits or vegetables, for example: Broccoli, Peppers, Carrots, Apple
- A chopping board
- A sharp knife

Method:

1. On a chopping board, chop your selected vegetables or fruits into chunks
2. With a sharp knife carefully make holes in the centre of your fruits or vegetables
3. Thread the vegetables onto your stick
4. Provide to your furry friend and let them enjoy

Foraging Tube

What you will need:

- Empty toilet roll tube
- Tasty feeding hay
- Dried or fresh forage (vegetables, herbs or flowers)

Method:

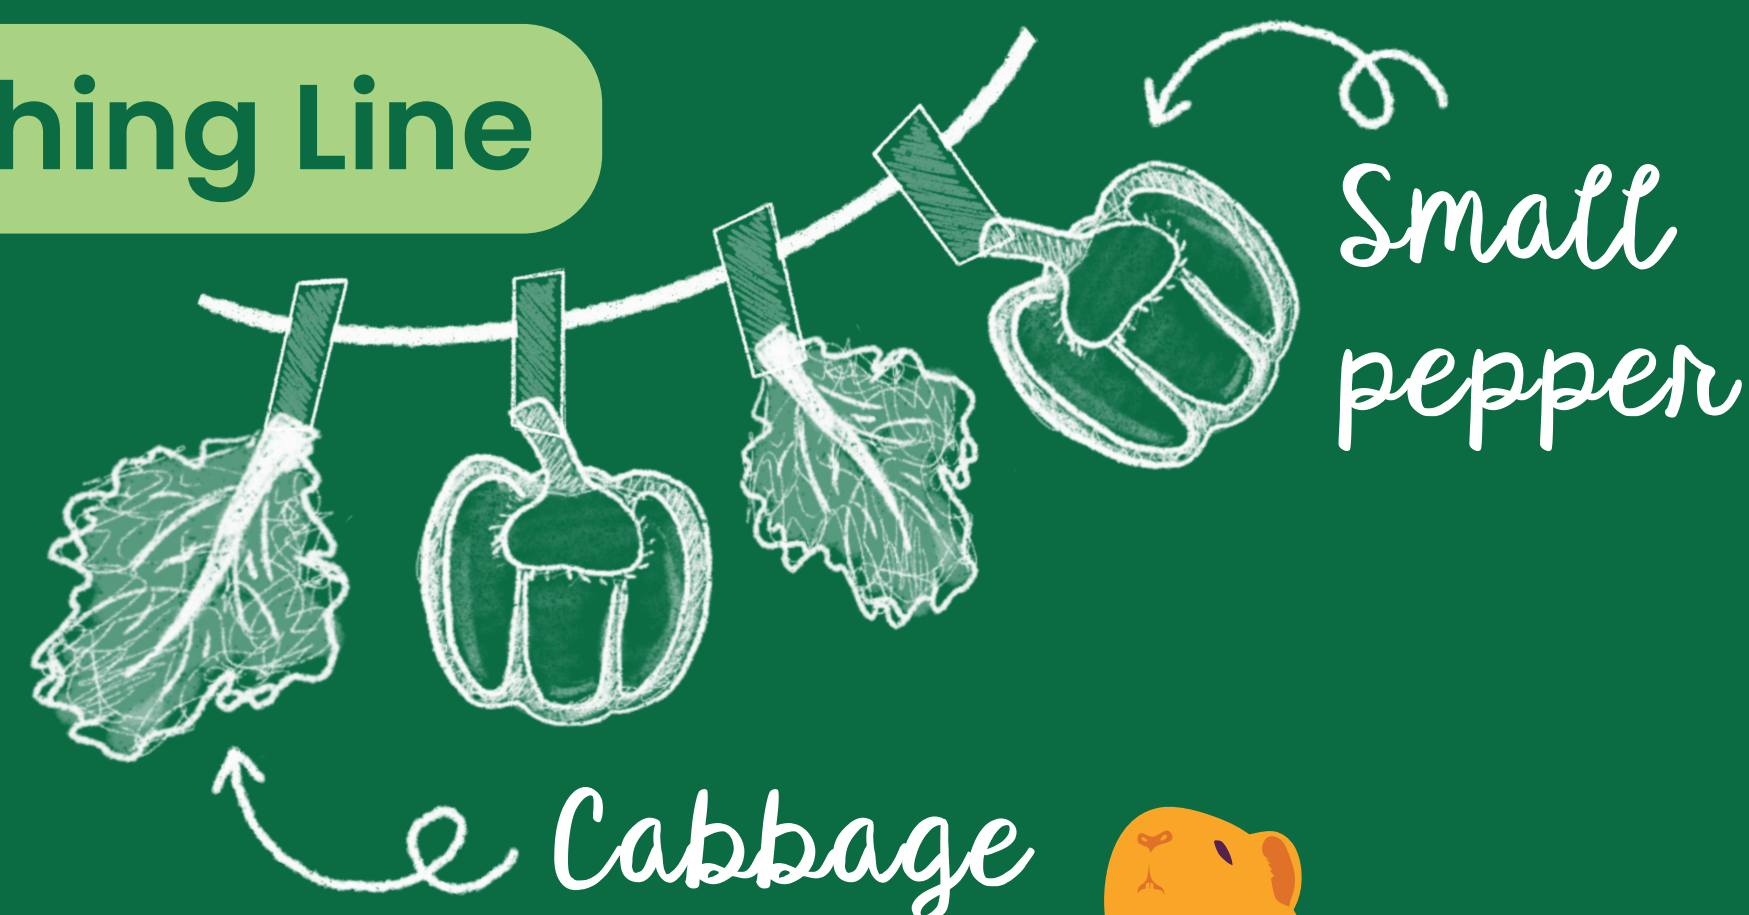

1. Stuff half of the tube with tasty feeding hay
2. Add forage of your choice to the middle of the tube
3. Stuff the other half of the tube with tasty feeding hay, hiding the forage
4. Give to your furry friends and watch them happily forage

Vegetable Washing Line

What you will need:

- String
- Small wooden pegs
- Your furry friend's favourite Leafy Greens, for example: Spring Cabbage, Mint, Basil Parsley, Thyme
- Scissors

Method:

1. Cut your string to the desired length and tie to your furry friend enclosure
2. Tear the chosen leafy greens into medium sized pieces
3. Peg the pieces to your string using the wooden pegs
4. Let your furry friend enjoy
